DISCLAIMER:

This Schedule forms part of, and is to be read, in conjunction with the Agreement of Purchase and Sale.

Alternate layouts and options are not included in the base purchase price and must be purchased at the time of sale. Décor Dollars have no cash value, are inclusive of HST and cannot be used to purchase options available at the time of sale, including alternate floor plan layouts and can only be used to purchase Extras from a design consultant.

The features and finishes listed above are included in the purchase price and are at no extra cost to the Purchaser. All interior colour selections will be made from the Vendor’s standard samples. The Purchaser specifically acknowledges that colour or shade variances sometimes occur in finishes due to manufacturing or ordinary variation within natural products and may vary from the Vendor’s samples. The Purchaser shall accept any such colour or shade variance without any right of abatement of the Purchase Price and in full satisfaction of the Vendor’s obligations herein.

The Purchaser acknowledges that the area of the Dwelling, as may be represented or referred to by the Vendor or any sales representative, or which appears in any sales or marketing material(s) is approximate only and is measured in accordance with the Directive – Floor Area Calculations issued by the Home Construction Regulatory Authority (HCRA). Actual useable floor space may (therefore) vary from any stated or represented floor area or gross floor area, and the extent of the actual useable living area within the confines of the Dwelling may vary from any represented square footage or floor area measurement(s) made by or on behalf of the Vendor.
